BOURGET COLLEGE ENGLISH PROGRAM

Grades 9, 10, 11 and 12

2026-2027

Welcome to Bourget

Bourget College provides students the opportunity to obtain a Quebec Secondary School Diploma. The College offers the full Quebec curriculum in Grade 9, 10 and 11, as well as optional classes through our Passion Pathways, such as sports, arts, music and dance. Our students have daily study periods integrated into their schedule where Bourget College teachers offer academic support to their students.

Bourget College offers the opportunity for students to continue their education in Pre-University Grade 12 to obtain the Ontario Secondary School Diploma (OSSD), which is issued by the Ontario Ministry of Education via the Ontario Virtual School.

Bourget College aims to foster personal autonomy, academic development, and perseverance, in keeping with the Collège Bourget mission and goals.

Welcome to Bourget College.

ACADEMIC PROGRAMS

VISION PÉDAGOGIQUE

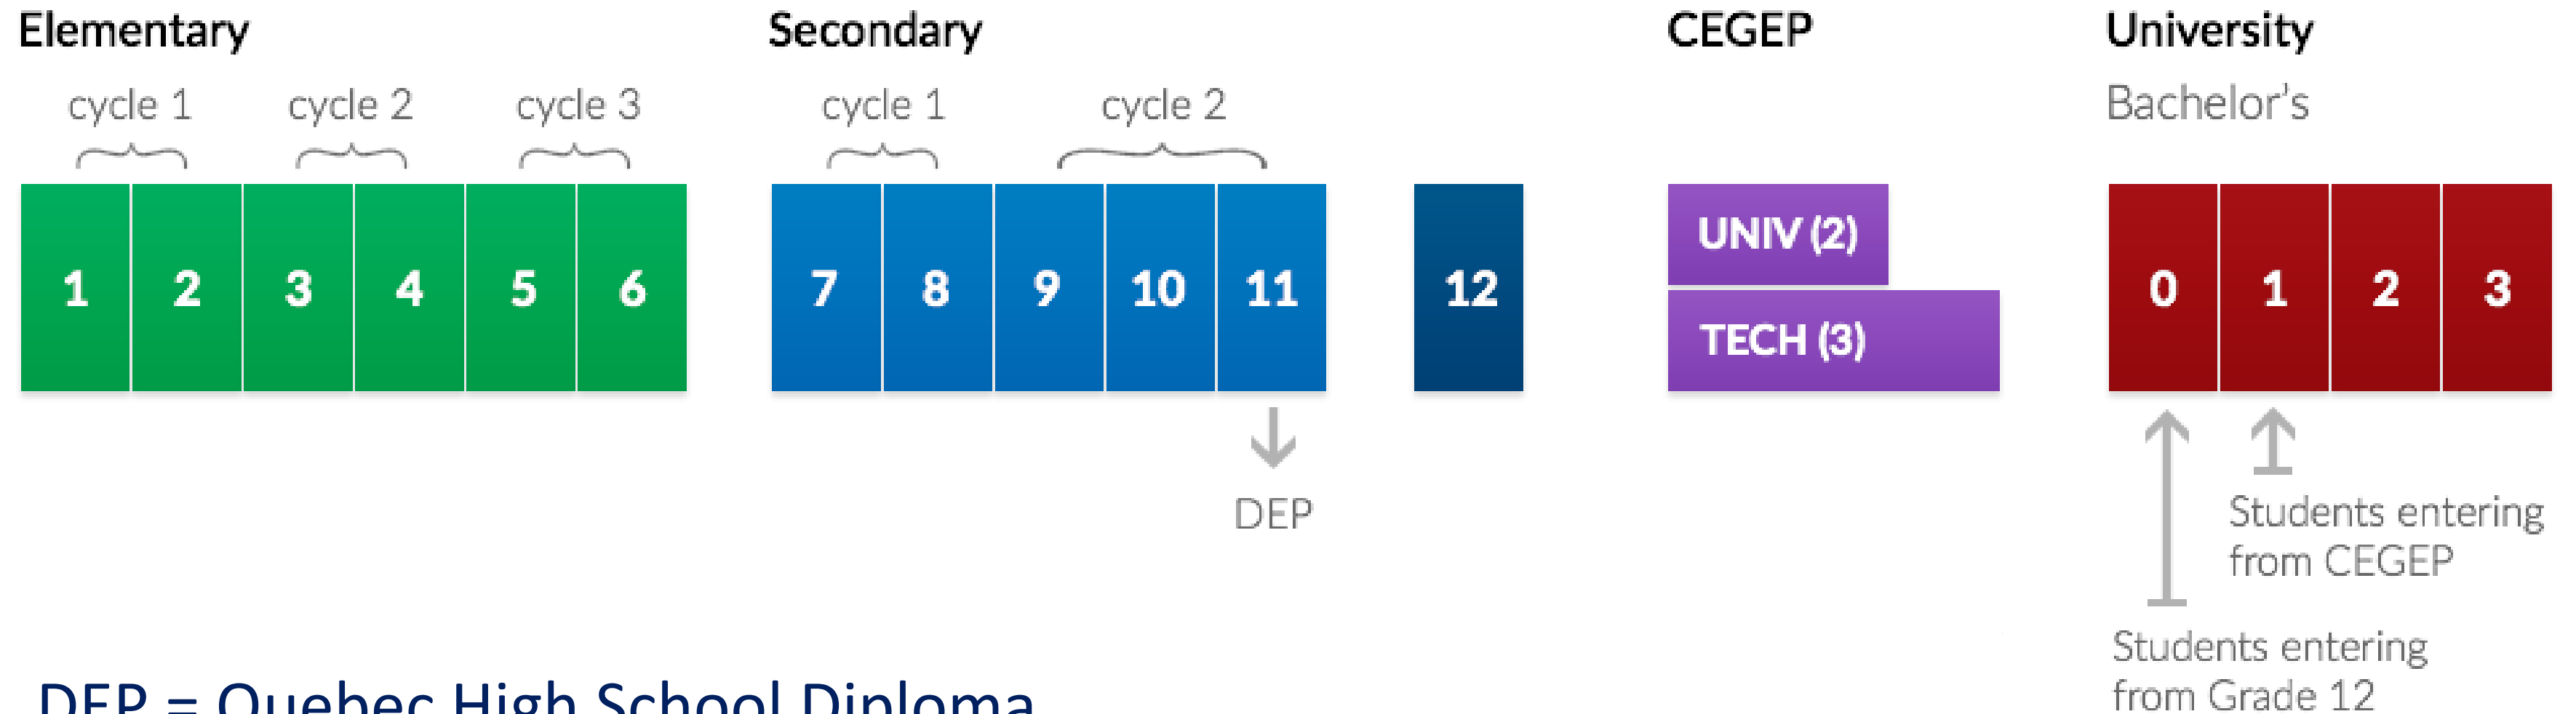

Pedagogical Vision

- Collaboration between parents, teachers and administration;
- Clear and continuous lines of communication;
- Clear expectations;
- Provision of support;
- Evaluation based upon a judgement at the end of each term supported by varied evaluations throughout each term.

The goal is to provide students with the skills and strategies to become **autonomous** learners.

A large crowd of graduates in black gowns is seated in a grand hall with high ceilings and large columns. Many graduates are throwing their black caps into the air, creating a shower of caps. The graduates are looking up with excitement, and some are holding up their phones to capture the moment. The hall has ornate architectural details, including arched windows and a balcony in the background.
