

**Welcome to
Bourget College**

**English program for
Grade 9, 10, 11 and 12**

Welcome

Bourget College provides students the opportunity to obtain a Quebec Secondary School Diploma. The College offers the full Quebec curriculum in Grade 9, 10 and 11, as well as optional classes through our Passion Pathways, such as sports, arts, music and dance. Our students have daily study periods integrated into their schedule where Bourget College teachers offer academic support to their students.

Bourget College offers the opportunity for students to continue their education in Pre-University Grade 12 to obtain the Ontario Secondary School Diploma (OSSD), which is issued by the Ontario Ministry of Education via the Ontario Virtual School.

Bourget College aims to foster personal autonomy, academic development, and perseverance, in keeping with the Collège Bourget mission and goals.

Welcome to Bourget College.

Nicholas Hayter

Director, Bourget College

STUDENT LIFE

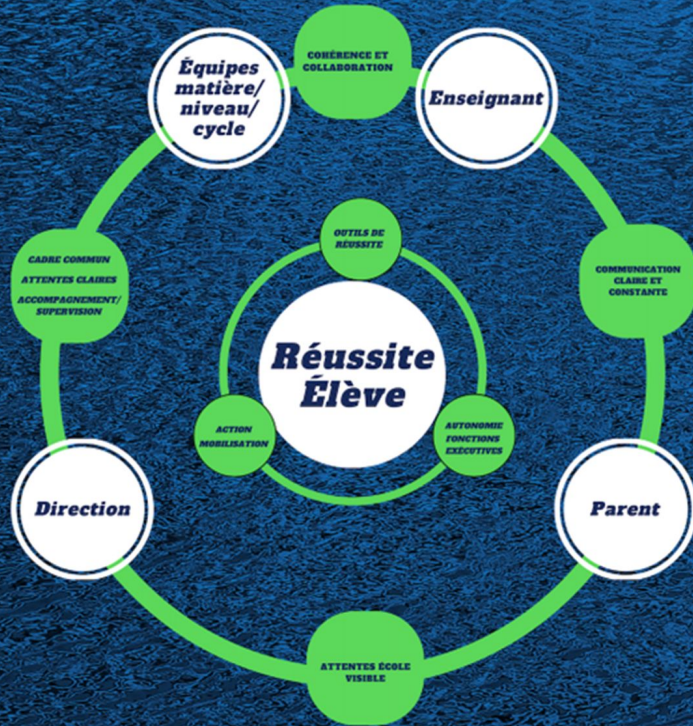

VISION PÉDAGOGIQUE

COLLÈGE BOURGET

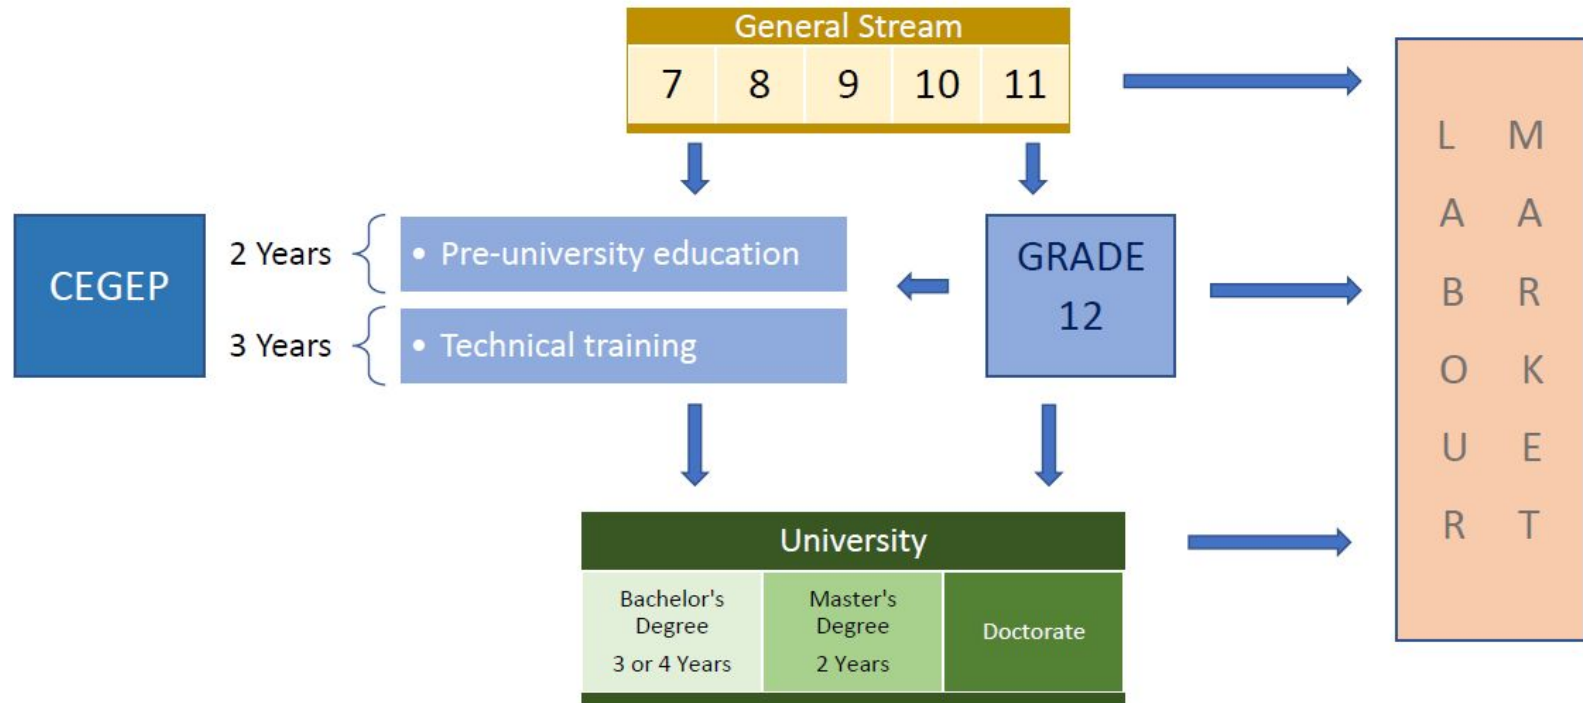

Pedagogical Vision

- Collaboration between Parents, Teachers and Administration
- Clear and continuous lines of communication
- Clear expectations
- Provision of support
- Evaluation based upon a judgement at the end of each term supported by varied evaluations throughout each term.

Our objective is to provide students with the skills and strategies to become autonomous learners.

Bourget College offers a Grade 10 and 11 English Program

Our Pre-University Grade 12 Program creates a direct pathway to University

Applications for admission for the year 2023-2024

For any application for admission, please contact the registrar's office at the following address: admissions@collegebourget.qc.ca

Applications for admission to the 9th, 10th, 11th and 12th English-speaking grades for the year 2024-2025

Applications for admission to Le Bourget College will open on November 1, 2023.

**** New for 2024-25**** Collège Bourget will offer the program in English starting in Grade 9.

We want to make sure Collège Bourget is right for your child and your family. The admissions process helps our school to have a complete idea about your child before granting admission. It is also intended to help parents make an informed and appropriate decision regarding enrolment.

Decisions will be made after studying the candidate's academic record. In some cases, a one-on-one interview with the principal of Bourget College may be part of the admissions process.

We invite you to follow the three chronological steps below to apply.
