## PREP HOCKEY PROGRAM

Bourget College is a Canadian Prep School of choice for future hockey student-athletes. highly skilled coaches and development staff will help our student-athlete to get better, both in school and in hockey. We prioritize the development and understanding of being a better student-athlete and teammate. We reiterate the importance of Attitude, Effort, Preparation and Execution both inside the classroom and on the ice.

The modified Prep Hockey Schedule allows our student-athletes to train during the school day whilst receiving academic support from a team of outstanding teachers.

## DEVELOPMENT

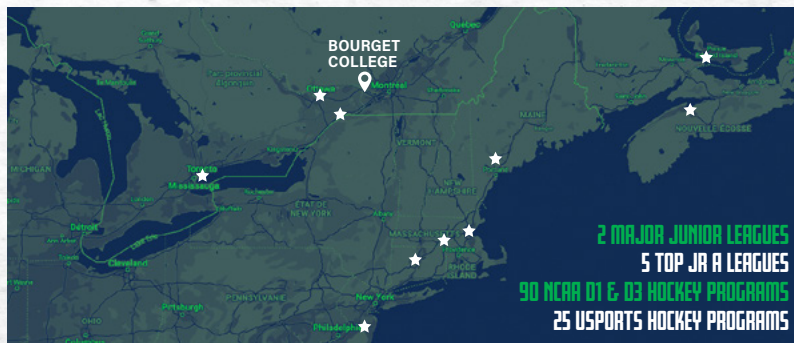

Student-Athletes should expect HP1 certified coaches that have all played and coached via a multitude of avenues. Our Mental Performance Coach, Strength Coach, Goaltenders Coach, Skills Coaches, Health & Wellness Coach, and therapists are all individuals who are experts at what they do, and have all worked with high level athletes. Experience is key, and with experience comes knowledge and the ability to teach. We expect our Student-Athletes to leave Bourget College with the appropriate tools to apply at the next level, as athletes, as students, and as cultured citizens.
