Dear future Grade 12 students,

We are looking forward to welcoming you into the Grade 12 program at Bourget College on Friday August 28th 2026.

The majority of students have indicated their preferred program of study (Science, Business or Social Studies) for next year. If you have changed your mind and wish to switch profile, please indicate this in your survey response.

The Bourget College teachers will be teaching the following courses next year:

Math – Ms Swift and Ms Lamonde

Advanced Functions, Data Management and Calculus

English – Ms St Laurent and Ms Gagnon

Grade 12 English and Writer's Craft

Science – Mr Viau

Chemistry and Biology

Business – Ms Landry

International Business and Economics

All other elective courses including Physics will be taught by teachers through the Ontario Virtual School. All courses will be completed at school, in class, with all students writing tests and exams at the same time under our supervision.

For us to plan the elective courses with the Ontario Virtual School, we need to know each student's preference. Please complete the following preference survey: <https://forms.gle/pfgk7Zh7sgTk5yQh7>
Please indicate your first, second and third choice for each semester.

Here are the elective courses that can be chosen:

Semester 1 options - Health & Nutrition, Kinesiology, Law, World History

Semester 2 options - Business Leadership, Kinesiology, Earth & Space Science, Families in Canada, Law

There is a section in the survey for questions and comments.

If you are studying in the Social Studies Profile and wish to take a Business class or Biology please indicate this in the final section of the survey.

Please refer to the Course Handbook and Grade 12 presentation for additional information.

Regards,
Nick Hayter

Director of Bourget College
