## Admission Procedures

### Admission Criteria

- Good academic results.
- Desire to discover a new culture and to learn French.
- Desire to be involved in all aspects of school life (sports, committee, activities, homework, studies...).
- Once admitted, we strongly recommend French lessons in order to integrate better, even if it's not mandatory for Spanish-speaking students. For non Spanish-speaking student, a 100-hour course is mandatory, especially if the student is seeking for a Quebec diploma, in order to pursue his/her study towards University.

### Administrative Procedures

- Fill the 3 following forms
- Send a copy of the last 2 year's report cards.
- Send a photocopy of the student's birth certificate
- Send a photocopy of the student's, father's and mother's passport information page

---

Afterwards, collège Bourget will analyze the documents.

Once admitted, a second series of documents, sent by collège Bourget, must be completed and mailed in order to have the original to make a request for the CAQ.

The third step is to obtain a study permit

Finally, the student must have a valid passport and a visa (if necessary).

Depending on the country, the process can take up to **2 months**. It is therefore preferable to **apply before May**. In summer, government offices are slow because of the summer holidays.
