

COLLÈGE BOURGET

LA FONDATION  
Collège Bourget

# Moving forward together

## The Greenery Project

- Outdoor classrooms
- Leisure and dining areas
- Community development zone: gardens, greenhouse and orchard integrated into existing living and learning spaces.

## Development of outdoor sports facilities

- Basketball courts
- Multisport areas
- Herbalist trail
- Field Hockey

## Theater

- Transformation of the auditorium into a 750-seat performance hall.
- Arts and entertainment zone: open-air amphitheater

## GROUND-BREAKING AND CUTTING-EDGE PROJECTS

Our College Foundation believes in school for all, in equal opportunities for academic success. We want to help our young to become committed citizens in their lives and in their community by supporting the College's innovative projects.

## 2021-2026 MAJOR FUNDRAISING CAMPAIGN

OUR OBJECTIVE: \$3M IN 5 YEARS

# DREAM SUPPORT ACHIEVE

## What are the benefits of the outdoor classroom, leisure and dining areas?

- To improve motivation and concentration
- To offer cooperative, recreational and social settings
- To promote academic success
- To enable the environment to be used as a educational tool
- To allow for cross-circularity and leads to better results
- To increase student creativity and enthusiasm
- To improve the willingness to be in school

## What are the benefits of operating the greenhouse and gardens?

- To encourage healthy lifestyles
- To foster the development of environmental awareness
- To offer a cutting-edge educational approach
- To encourage a sense of community in the school

## Why greenspace our outdoor areas?

- To reduce heat pockets created by the asphalt
- To offer more inviting classes
- To encourage students to play outdoors

## Why do we need a new theatre?

- To respond to the needs of 800 student artists who are involved in the performing arts at our school
- To participate in the emergence of new artistic talents
- To offer a theatre to the community of Vaudreuil-Soulanges

## Why do we need new and refreshed sports facilities?

- To adapt the sports areas to meet the growing needs of our young athletes
- To provide a safe and stimulating environment.

**It's time for us to build the College that we have always envisioned !**
