

# Thank you for your **SUPPORT**

to our mission

## **Project no.1 GREENERY PROJECT**

### **Zone: Outdoor classes**

The creation of outdoor classrooms for the primary and the secondary levels.

### **Zone: Leisure and dining areas**

Landscaping the courtyard of Louis Querbes Pavilion and areas of the Main Pavilion with vegetation for dining, studying and relaxing in order to reduce heat pockets and increase the number of quiet, study-friendly spaces.

### **Zone: Community development**

Development and improvement of the gardens and greenhouse, as well as the incorporation of the gardens, greenhouse and orchard into existing living spaces.

### **Zone: Arts and Entertainment**

Construction of an outdoor amphitheater with bleachers, a creativity zone and a musical zone.

Transformation of the courtyard of the Louis-Querbes pavilion
